

Let's talk about the fun stuff first!

Sunday, December 13th we are hosting our 2nd Annual Chili Elephant, which is our way of saying Merry Christmas and Happy Holidays to our Mug Club Fam! This is a Mug Club exclusive event. We do request that you limit outside guests this time, simply due to capacity and the ability to socially distance. We will close the brewery SUNDAY, DECEMBER 13TH to the public in order to host a "white elephant" gift exchange / chili cook off event. Currently, Andre Johnson holds the title - will he be able to keep the trophy, or will another Mug Club member steal his title?!

Please note: this event is TOTALLY OPTIONAL. We will be taking measure to sanitize and socially distance. We hope to see you there but, we're also super understanding

## CHILI COOK OFF RULES AND REGULATIONS

- Your chili must be a crock-pot full. Don't worry about feeding everyone, we'll be tasting quite a few chilis that night.
- If you bring chili you must arrive at 4:45 to set up - chili tasting starts at 5PM
- We will have bowls, spoons, and taster cups available fo you. Heck ... we might even bring corn bread.
- If your chili requires it to be eaten a certain way, please provide instructions next to your dish.
- Your chili must have a written description to place in front of your submission. Is it spicy, is it savory, is it vegetarian, does it have nuts in it (hopefully not) (just give some \*possible\* allergen info.) (We will provide table tent cards to do so, or you may print your own.) No names on your chili.
- We will also have extension cords, and power strips. (If someone wants to let us borrow a fold out table, we may need an extra few around.)
- Please join us even if you don't intend on bringing chili!

## WHITE ELEPHANT GIFT EXCHANGE

- If you wish to partake in the gift exchange, (which we sure hope you do) please bring a gift at \$20 (or more)

  Value
- You must bring a gift in order to play the game.
- Your gift must be wrapped.
